Xtend Shared Branching—Getting Money just got easier

When we share, everyone benefits. Starting August 3, MCU will be adding 160 additional locations to our current 3,697 Shared Service Center locations. For added convenience and increased access, members can do their banking closer to their home and workplace. Members from one credit union can use the branch offices of another participating credit union for routine financial transactions such as depositing paychecks, making withdrawals, or making loan payments.

Look for the **Xtend Shared** Branch Logo at area Credit Unions. Click on “locations & ATMs” at meijercreditunion.com and scroll down to the Xtend Icon to look for locations near you. The logo link will be on the member homepage the months of July and August.

NEW HOURS: The Rockford branch AND the main branch will be open on Saturdays 9 a.m.–1 p.m. after August 3.
