

## The Ultimate Convenience

Take advantage of the convenience of our ATM Card and MasterMoney Debit Card\*. Use your ATM Card to get your money whenever you need it, 24 hours a day, 7 days a week, at over 250,000 ATM's nationwide.

Our MasterMoney Debit Card looks like a credit card, displaying the Mastercard logo, but works like a check. The MasterMoney Debit Card is accepted by any merchant who displays the Mastercard logo. When making a purchase, the amount is automatically deducted from your checking account.

The MasterMoney Debit Card will also function as an ATM Card. You can use your Debit Card to make deposits, withdrawals, balance inquiries, transfers and for purchases.

\*Members must have a checking account in order to qualify for a Debit Card from Meijer Credit Union.

### It's So Easy!

After receiving your ATM Card, please call the toll free number shown on the sticker (attached to the card) to activate and to select a four digit PIN.

Once you insert your card into an ATM, the machine's screen will display easy-to-follow instructions.

Withdrawals, deposits, balance inquiries, and transfers are convenient and accurate. All transactions are printed on your receipt, if you request one, and also included on your statement for account reconciliation. If you need help, a Member Service Representative will be available to answer any questions you may have about your card. You may call the Credit Union at (616) 784-4822 or (800) 962-6378.

### Free Transactions!

To better serve you, the Credit Union is offering ten free ATM withdrawals per month, plus Meijer Gas Station ATMs - free unlimited!
