

THIS IS JUST ANOTHER BROCHURE.

However, what's behind this brochure is the result of a personalized assessment to meet the individual eye care needs of each patient. It is the artful conclusion that comes from understanding that every eye is unique.

Behind these words is the latest in ophthalmological technology and an expertly crafted product that leads to comfort, improved sight and satisfaction.

Behind these words is the hard work and dedication of a staff that sweats the small stuff. And knows just how to take care of you —that also leads to satisfaction.

This is just a brochure, but what's behind it really matters.

MADE IN MICHIGAN SINCE 1947,
